Packaging System

**FALCON TEST ENGINEERS REPORT No:** 3435

### ASSEMBLY & CONFIGURATION OF PACKAGING:

Place filled inner packaging on top of the base 'X' stabilising insert. Place the top 'X' stabilising insert over the inner packaging. Close and seal the box using 48 mm pressure sensitive self adhesive tape in the same manner that the base of the box has been sealed. Label the box as required.

**Note:** The use of other packaging methods or components may render the approval of this package invalid.
